Re: CONFIRMATION OF TELEPHONE INTERVIEW WITH EXAMINER

On August 17, 2004 the undersigned left a telephone message with Examiner Lauture regarding the Examiner's Amendment included with the Notice of Allowability mailed August 13, 2004. The message was that, in the Examiner's Amendment to claims 6 and 12, lines 4, the inserted phase should be "said first input terminals comprising", rather than "said first input comprising", since "input terminals" was the term used in parent claim 1.

Examiner Lauture returned the phone call on August 20, 2004 and stated that there was no ambiguity, since the only element of claim 1 that the term "first input" could refer to was the first input terminals. The undersigned agreed to the Examiner's Amendment on this basis.

Respectfully submitted,

Dated: 8/23/04
